This is the only event of its kind in the nation. The Challenge will be held at the **Wyoming Antelope Club of Florida, 3700 - 126 Avenue N, Clearwater, FL 33762, www.antelopeclub.org.**

Sniper/Observer teams will compete head-to-head in a very challenging series of events that have historically served as a comprehensive training exercise and proven to be great fun. These courses will test and validate the team's overall sniping skills, including judgement, teamwork, tactics and shooting under induced stress.

Participation is open only to active, certified, police SWAT team and military personnel, and supervisors.

The course will be physically and mentally demanding and shooters should be in good condition.

The Challenge will consist of two-man sniper/observer teams. Any single snipers who enter will be paired up at the tournament. **There is a two (2) team per agency limit. There is a 60 team limit, so early registration is recommended.**

All participants in the tournament will receive a commemorative T-shirt. Prizes and trophies will be awarded to the top seven teams.

All shooters will be expected to adhere to very strict safety policies throughout the tournament.
